## Precision

Years and years of experience in this field have resulted in the precision manufacturing of all Tacwise staples and nails. Produced from premium quality raw materials our exacting specifications include tolerances of 0.1mm to ensure the most accurate and consistent stapling/nailing actions time after time. Our standard staples and nails suit all other major brands of stapling and nailing tools.

## Colour coded

Colour Coding: useful and convenient for quickly selecting the correct fastenings for Tacwise and other popular tools.
